

# DM700B03-KITR

**MCP BLUE, push button - Extinguishing hold, surface mount with protection cover**

## General

---

The DM700B09-KITR is a blue, push button manual call point for indoor applications. It provides a non-latching push button, which is normally required for extinguishing systems as a temporary hold/stop until the area has been evacuated. It offers a single pole, changeover contact with common, normally open and normally closed connections.

## Details

---

- Protection hinged cover with Anti-Tamper facility
- Easy to install
- High quality push button

# DM700B03-KITR

MCP BLUE, push button - Extinguishing hold, surface mount with protection cover

## Technische specificaties

---

### Isolation

---

Series resistance	N/A
-------------------	-----

---

### Physical

---

Physical dimensions	92 x 115 x 54 mm (W x H x D)
---------------------	------------------------------

---

Net weight	110 g
------------	-------

---

Colour	Blue
--------	------

---

Material (body)	PC/ABS
-----------------	--------

---

### Environmental

---

Operating temperature	-10 to +55°C
-----------------------	--------------

---

Storage temperature	-10 to +55°C
---------------------	--------------

---

Relative humidity	0 to 95% noncondensing
-------------------	------------------------

---

Environment	Indoor
-------------	--------

---

IP rating	IP24D
-----------	-------

---

### Cable Termination

---

	0.5 - 2.5 mm <sup>2</sup>
--	---------------------------

---

### Max. contact rating (resistive load)

---

	1A @ 30 VDC
--	-------------

---
